Runners Prompts

Using the picture of the graph on the next page:

• What do you notice about the graph?

• What do you wonder?

Using the applet:

• Generate the situation shown in the diagram.

• Have the runners start and end at the same time.

• Have the runners generate paths that are parallel.

• Have the runners generate paths that don’t intersect but aren’t parallel.

• Have the runners intersect at the point [pick one!].
