Each group from this morning gives an overview of their morning onsite/online conversations.
Afternoon Session 1
Examining Feedback

- access Google doc
- read student work on the Math Club Mystery PoW
- read feedback from “mentor-in-training”
- how would you revise and improve the feedback?
- are there other completely different approaches to giving feedback?
Afternoon Session II
Software Demo

- by Damola and Tony
- demonstrate the mockup of the commentary feature
- participant feedback
- suggestions for how that feature should work
Afternoon Session III
Revision Activity

● # 4507 Eating Grapes - What do you hear?
● Suzanne’s Classroom Story & PPS
● Handout - Eating Grapes - feedback role playing
● What’s one thing Suzanne noticed that you did well?
● What’s one thing you will change in your revision?
