

Strategies for Leading for Equity and Assessment: Taking Action to Become a PRIME Leader

A one-day pre-session to the 2008 NCTM Regional Meetings
presented by

The National Council of Supervisors of Mathematics (NCSM)

Wednesday, November 5, 2008

**Atlantis Casino Resort Spa
3800 South Virginia Street
Reno, Nevada 89502**

(Session begins at 8:00 am and concludes by 4:00 pm)

This seminar will establish best practices designed specifically for school mathematics leaders and colleagues interested in the NCSM PRIME Leadership Framework. As a result of participating, local mathematics education leaders will take away an action plan that supports the Equity as well as the Assessment expectations described in the PRIME Leadership Framework.

Content Includes:

- Research Findings on Effective Mathematics Assessment Practices
- Results Driven Strategies for Level 2 PRIME Leadership Development and Learning
- A more In-Depth Look at the *PRIME Leadership Framework* on Equity Issues
- Effective Plans that Erase Inequities Caused in Student Learning
- A Leadership Audit of Equity and Assessment Practices

Registration:

\$125 for current NCSM members (add \$85 for a one-year NCSM membership, if not a member)
\$225 for non-members

- Registration includes a continental breakfast, lunch, and all seminar materials.
- Registration must be received by October 22, 2008
- Use one of four registration options:
