Weekly Synthesis

Group Name: _____ **Your Name**: _____

Team Members: _____

Looking across the activities and discussions from this week, *synthesize* your thinking on each of the following questions. Make specific references to activities, discussions, and/or readings whenever possible.

1. What does it mean to teach? How do you know?

2. What does it mean to *productively* observe and discuss teaching?

3. What are the benefits of observing and discussing what goes on inside our classrooms?
