

## Silent Squares

**Objective:** the group needs to assemble four squares of identical size with the twelve pieces. Each person should start with at least two pieces in their possession.

***Restrictions:***

1. Speaking, pointing, grunting, or nudging are prohibited during the course of the activity.
2. It is forbidden to take pieces from other members of the group.
3. It is forbidden to request pieces from other members of the group.
4. Voluntarily giving a required piece to another member of the group however is allowed.

### **Silent Squares Discussion Questions**

**What kinds of behaviors seemed to work most effectively in arriving at a solution?**

**How might lifting the restrictions change the way the group members approached this task?**
